

Bransgore Horticultural Society

News from the committee 11th August 2020

A quick catch up with what is happening in the Horticultural society.

Firstly a big thank you to all who took part in the virtual show it was a great success with some members entering a show for the first time. Hopefully they will continue to enter when we get back to the real thing next year.

If you have not been on our web site please have a look and if you have any photos of your garden or special plants please send them in to be added to the gallery. Also if you have a favourite nursery you buy plants from let us know and that will be added to the web site.

As you will have realised all meetings have now been cancelled up until December. We are still hoping to hold the Christmas party and we will also hold the AGM on the same evening as our society rules state we must hold an AGM.

We are hoping to be back to meetings in February and coach trips, shows etc. are being planned for next year.
